

A subsidiary of Hitachi Construction Machinery Co. Ltd.

Wenco International Mining Systems is a leading supplier of fleet management solutions and high precision GPS-based machine guidance solutions for the mining industry. Wenco has a global presence with offices worldwide and development centres in Vancouver, Canada and Brisbane, Australia.

We currently have an opportunity for an experienced Product Owner to join us in our Brisbane office. You will work in a high functioning, collaborative, multi-disciplinary development team following Agile processes.

This permanent role is ideally suited to an intermediate level Product Owner or a junior Product Owner looking to take the next step in their career progression.

The successful candidate will hold:

- University degree from an accredited institution or equivalent practical experience
- Knowledge of Agile process and principles
- Demonstrated understanding of Fleet Management System technology and associated business benefits
- Demonstrated team building and leadership skills

Desirable Skills & Experience:

- Minimum 2 years of either/or business analysis, development, in a business software development environment
- Highly self-motivated and self-directed, objective oriented
- Strong, demonstrated customer focus (internal and external)
- Sharp analytical and problem-solving abilities.
- Strong interpersonal skills

Non-Technical Requirements:

- An ability to clearly communicate technical concepts
- A preference for clarity and simplicity over unnecessary complexity
- A pragmatic approach to software development
- Applicants must either be an Australian citizen or Permanent Resident or hold a valid working visa

WHY JOIN WENCO?

- Opportunities for growth within the company
- Fun working environment
- Continuous training and development (in-house and external)

A subsidiary of Hitachi Construction Machinery Co. Ltd.

- Free parking
- We are heavily involved in the community and join various events of non-profit organisations
- And much, much more!

Wenco advances the efficiency and safety of the world's surface mining equipment through our fleet management systems. We are committed to providing a stable yet exciting work place environment for individual employees to build and grow their career with the Company.

Wenco is an Equal Opportunity Employer.
